

We thank all those who participated in the
Describe “Marginalized Youth” through Artistic Representation contest.

It was a pleasure to witness the talent, creativity and insight of our young people from ages 14 to 25 across Canada. Two independent judges reviewed the submissions and chose 10 youth to receive a \$100 prize. The art submissions of these youth and many others will be published in Dr. Kate Tilleczek & Dr. Bruce Ferguson’s edited book entitled, *Youth Marginalities in Education: Local and Global Expressions*.

Congratulations to our winners:

- Farrah Chanda Alsam
- Kira Duff
- Alicia Fry
- Mallory Goss
- Angel Ho
- Zera Koutchieva
- Sabnam Mahmuda
- Lishai Peel
- Anwasha Sen
- Elliott Tilleczek

We encourage youth to keep seeking positive ways
in which to express themselves and explore their identities.
Together, we can help youth from all backgrounds achieve their goals,
both in and outside of the classroom.
